*Noncaustic, nonacid and noncorrosive

Net _____ Gallons

ARCOT
MANUFACTURING CORPORATION

2950 Mowery Road, Houston, Texas 77045 (713) 413-9700

ORANGE MAGIC is a highly concentrated biodegradable degreaser and cleaner. This multipurpose formulation also works as an effective deodorizer. **ORANGE MAGIC** is an effective hard surface cleaner that removes oil, grease, dirt, syrups, fats and various types of soils. It is an excellent industrial and commercial cleaner of carpet, equipment, engines, tools and parts, food processing plants, kitchens and restroom facilities. It also cleans heavy oil deposits from metal surfaces, ink markings, decals, adhesives, tire marks and most soils. **ORANGE MAGIC** may be used in restaurants, hospitals, nursing homes, schools, office buildings, theaters, manufacturing plants, automotive plants, and other such facilities.

CAUTION: This product may harm some plastics and painted surfaces.

APPLICATION: Spray small amounts of **ORANGE MAGIC** on the area to be cleaned. For best results, allow **ORANGE MAGIC** to remain on the surface for 20 seconds. Remove dissolved dirt, grease or ink by either wiping off with rag or hosing down with water.

Completely remove all residue from the applied area.
USDA accepted for use in inedible product processing areas, nonprocessing areas and/or exterior areas of official establishments operating under the FEDERAL meat,

(Mantengalo Lejos Del Alcance De Los Ninos)

poultry, shell egg grading and egg products inspection program.
