

* Biodegradable

* Safe To Use

NEUTRALIZE Odor Counteractant & Deodorizer is a concentrated blend of safe and neutral air freshening ingredients which attack malodors right at their source. It can be used in any deodorization or odor neutralization application. **NEUTRALIZE** is safe to use around dumpsters, garbage areas, restrooms, docks, in carpeting or any room that has offensive odors. It can be used with automatic dispensing equipment or sprayed directly in the area.

CAUTION: Avoid prolonged contact with skin. Avoid contact with eyes. Do not ingest or inhale. Do not mix with other chemicals.

FIRST AID

Eyes & Skin - Flush with water for 15 minutes.

Inhalation - Remove to fresh air.

Ingestion - Drink large quantities of water. If irritation persists, seek medical attention.

Odor Counteractant & Deodorizer

Bubble Gum **Pine**
 Lemon _____
Cherry (unless checked otherwise)

1 Quart (0.95 Liters) _____ Gallons

1 Gallon (3.78 Liters) (Unless checked otherwise)

2950 Mowery Road, Houston, Texas 77045 (713) 413-9700

Application: Use directly on and around the source of odor by spraying, using a spray bottle, mist applicator or pump up sprayer. Use will vary depending on the severity and concentration of the odor and on the sources of the malodor. Normal use will consist of 4-8 oz. per 1000 cu. ft. of air volume or 100 cu. ft. of dumpster volume, as frequently as needed. Do not dilute. Use original container. Apply in any area that has offensive odor.

Spray directly on **carpet** to counteract malodors caused by spills, pet stains, mold, mildew or odor causing bacteria. Work product into the carpet by brushing. Wait for one hour. Remove residues by wiping or vacuuming.

For deodorizing **rooms**, spray directly in the center of the room working your way out.

For deodorizing **restrooms**, spray into, onto and around the bowl.

For preventive maintenance of **garbage or dumpster areas**, spray or pump every 4-6 hours, depending on the severity of the malodors.

NOTE: Product causes surfaces to become slippery. To avoid slippery conditions, do not apply onto, over or around contact or traffic surfaces.
