Freezer Cleaner

#9097E-B

1Quart (0.95 Liters) 1Gallon (3.8 Liters)
55Gallons (208Liters) (unless checked otherwise)

2950 Mowery Road, Houston, Texas 77045 (713) 413-9700

Biodegradable & Non-Flammable

Not regulated by DOT.

Freezer Cleaner #9097E-B is the quick and reliable solution to freezer icing problems. Highly concentrated, this special formula combats ice by softening it to a slush. Ice, snow and frozen soils and food spills can be removed easily. No more scraping and hard physical labor to remove ice and frozen spills.

APPLICATION: Read MSDS thoroughly before use. Always test a small area first. Continue use only if fully satisfied with the performance. Use straight. Do not dilute with water or mix with other chemicals. Pour onto ice, snow or frost. Once ice is softened, remove immediately and as completely as possible.

This product is not formulated for all applications. Do not use as a windshield fluid or anti-freeze.

Keep away from direct sunlight, heat or extreme colds. Do not heat this product. Store indoors, preferably at temperatures between 60-100°F.
