

MATERIAL SAFETY DATA SHEET

ARCOT Manufacturing Corporation
2950 Mowery Road
Houston, Texas 77045

Emergency Telephone:
(713) 413-9700
Date Prepared: 09/03/2009

SECTION I				
Product Identity (Name / Number)		DUST AWAY Dust Mop Treatment / 9587W.B. (Water Based)		
Chemical Family		Cleaner Detergent. NFPA Classification: Health = 1 Fire = 1 Reactivity = 0		
SECTION II - Hazardous Ingredients				
Hazardous Components	OSHA PEL	ACGIH TLV	Other Limits Recommended	% (optional)
Isopropyl Alcohol	400ppm	400ppm		Proprietary
d-Limonene	N/D	N/D		Proprietary
SECTION III - Physical & Chemical Characteristics				
Boiling Point	Above 200°F	Specific Gravity	1	
Vapor Pressure (mm Hg)	N/A	Melting Point	N/A	
pH	8-9	Evaporation Rate (Ethyl Ether=1)	Less than 1	
Solubility in Water	Complete	Appearance / Odor	Clear Yellow Liquid / Citrus	
SECTION IV - Fire & Explosion Hazard Data				
Flammable Limits (Explosive Limit)	Upper: N/A	Lower: N/A		
Flash Point (Method Used)	Not flammable.			
Extinguishing Media	Water fog, foam or dry chemical.			
Special Fire Fighting Procedures	Clear fire area of unprotected personnel. Use self-contained, positive pressure breathing apparatus.			
Unusual Fire and Explosion Hazards	Containers exposed to intense heat should be cooled with water to prevent vapor pressure buildup.			
SECTION V - Reactivity Data				
Stability:	Unstable	X	Stable	
Hazardous Polymerization:	X	Will Not Occur		May Occur
Conditions To Avoid	Avoid excessive heat and direct sunlight.			
Incompatibility (Materials to Avoid)	Avoid strong oxidizing agents.			
Hazardous Decomposition or Byproducts	Carbon monoxide and unidentified organic compounds may be formed during combustion.			

SECTION VI(a) - Health Hazard Data**Inhalation** Vapors may cause irritation to nose and throat.**Eye** Irritating to eyes.**Skin** Prolonged or repeated contact may cause dryness.**Ingestion** Irritating. Ingestion may cause headaches, dizziness, nausea, vomiting and collapsing.**Reported As Potential Carcinogen or Carcinogen****International Agency for Research on Cancer**

X

Not Applicable**National Toxicology Program****OSHA****SECTION VI(b) - First Aid Procedures****Inhalation** Remove victim to fresh air and provide oxygen if breathing is difficult. Seek medical attention.**Eye** Immediately flush eyes with plenty of water for at least 15 minutes, while holding eyelids open. Seek medical attention.**Skin** Wash skin thoroughly with water. If irritation persists, seek medical attention.**Ingestion** Never give anything by mouth to an unconscious person. If conscious and alert, give two glasses of water. Do not induce vomiting. Seek medical attention.**SECTION VI(c) - Employee Protection****Respiratory Protection (Utilize NIOSH approved respirators. Refer to manufacturer's protection factors and OSHA standard 1910.134 as a guideline.)** Respirators are not required for this product.**SPECIAL PROTECTION INFORMATION:****EYE** Wear goggles if splashing potential exists.**SKIN** To avoid prolonged or repeated exposure, wear chemical resistant gloves and clothing.**VENTILATION** Provide sufficient mechanical ventilation to maintain exposure below TLV's.**SPECIAL PROTECTION** Impervious clothing and boots may be worn to prevent skin contact. Eye wash fountains and safety showers should be available for emergencies.**SECTION VII - Special Precautions****Handling and Storage** Store in shaded area away from excess heat. Excessive heat may cause pressure build-up in the container.**Other Precautions** Surfaces become slippery if material is spilled.**SECTION VIII - Environmental Protection****Spills / Releases** Pick up the material by soaking an absorbent or other suitable way and flush area with water to remove trace of residue.**Waste Disposal Method** Dispose according to local, state and federal laws.**DISCLAIMER**

The information contained herein is based upon data available to us and reflects our best professional judgement. Since it is impossible to anticipate the conditions under which our products may be used, we cannot guarantee that the recommendations will be adequate for all individuals and situations. Each user of this product should determine the suitability of the product for his particular purpose and should comply with all federal, state and local regulations. Our goal is to manufacture products with zero or minimal hazards. Our products are improved daily as up-to-date information and research is received from our suppliers to use products with less or no hazards. Please feel free to contact us for current information.
