ARCOT
MANUFACTURING CORPORATION

215 Grove Street, Houston, Texas 77020 (713) 222-8088

*Pleasant Scent *Economical *Versatile
*Biodegradable *Multipurpose / Multiusos

PEARL SUDS may be used to clean all dishware, pots & pans, silverware, crystal and glassware, floors, walls, equipment and parts, and virtually any hard surface not harmed by water. It is pH controlled and contains water softeners (to fight against hard water), emulsifiers, wetting agents and degreasers. It is formulated to be tough on grease and grime. This product is used in schools, nursing homes, municipalities, hotels, restaurants, and commercial and industrial arena.

APPLICATION: Although pH controlled, use impervious gloves to prevent drying of skin. For best results, **PEARL SUDS** may be used 1/8 to 1/2 cup per gallon of water, depending on the severity of soil and grease to be cleaned. Dissolve well in water, apply as fit and rinse thoroughly. After use, all food contact surfaces (including dishware and food cutting and processing surfaces) must be thoroughly rinsed with potable water.

For Commercial & Industrial Use Only
