

RIG POWER

LIQUID RIG WASH

Arcot # 9650RP

- * Excellent Foaming Action
- * Non-Flammable
- * Biodegradable

Rig Power is a concentrated heavy duty liquid cleaner. It is composed of wetting agents, emulsifiers, solvents and selected cleaning agents. It is especially formulated for removal of oil-based muds and all types of greases associated with drilling equipment, platforms and bilge cleaning operations. **Rig Power** is safe on rubber, vinyl, plastics, wood, ferrous and nonferrous metals. The ability to perform with hard water also makes **Rig Power** an excellent product for steam cleaning or hot water washing and an effective fleet cleaner.

APPLICATION: **Rig Power** may be used by spraying, brushing, or wiping. Dilute 1 part **Rig Power** to 5-20 parts water depending on the severity of soils to be removed. **Rig Power** is also effective when used in pressure washing equipment.
