# CITRUS POWER

# 9652

## Powerful, Organic-Based Solvent Degreaser

\*\*Can be mixed with solvents \*\*Can be mixed with water  
\*\*Has deodorizing citrus fragrance \*\*Versatile application  
\*\*Strong enough for industrial use \*\*Mild enough for institutional use

**ARCOT**  
MANUFACTURING CORPORATION

2950 Mowery Road, Houston, Texas 77045 (713) 413-9700

**DESCRIPTION:** **CITRUS POWER** is a concentrated organic/solvent degreaser that emulsifies oils and greases. This multipurpose formulation also works as an effective deodorizer and drain cleaner.

Uses for **CITRUS POWER** are endless. It degreases concrete floors, equipment, trucks, motors and metal surfaces. This product will remove tar and asphalt, most resins, adhesives, printing inks, decals, rubber tire marks, and most soils that would normally require a solvent-based degreaser to clean. It also liquefies grease in traps and cesspools and is excellent for outdoor toilets.

**Caution:** Keep away from heat, spark and open flame.

Avoid contact with eyes and skin. Do not inhale or ingest. This product may harm some plastics and painted surfaces.

**APPLICATION**

1. As a general purpose degreaser, usage will vary from 1 part **CITRUS POWER** to 10-20 parts water.
2. For removal of soils from equipment, rigs, tanks and many other surfaces, use 1 part to 10 parts water.
3. For removal of surface contamination, hydrocarbons and open pits, use 1 part to 30 parts water.
4. To deodorize, spray or mop onto surface using 2 ounces diluted in 1 gallon of water.
5. For removal of thread compound, spray or wipe onto pipe connections using 1 part to 4 parts water.

Net 1 Gallon (3.785 Liters)
