- * Non-Abrasive
- * Cleans, Shines & Protects
- * Fast Acting * Ready To Use

This product is an excellent ready to use, fast acting, stainless steel cleaner and polish which will not scratch surfaces. It may be used to eliminate smudges, fingerprints, soil, oil film and waterspots while leaving stainless steel naturally shining and protected from the environment.

APPLICATION

Read Material Safety Data Sheet Carefully Before Use. For best results, pour a small amount of this product on a clean, soft cloth. Allow polish to be absorbed evenly throughout the cloth. Wipe entire area until surface is free of soils and smudges. Do not overuse.

Keep away from direct contact with food. Before use, food products and packaging materials must be removed from the room or carefully protected. After use, all food contact surfaces must be thoroughly washed with an appropriate cleaner or degreaser and then rinsed thoroughly with potable water.

Note: Contains petroleum distillate.

This product may cause slipperiness. Do not use on surfaces where slipperiness may be a hazard.
