

MATERIAL SAFETY DATA SHEET

ARCOT Manufacturing Corporation
2950 Mowery Road
Houston, Texas 77045

Emergency Telephone:
(713) 413-9700
Date Prepared: 2/16/2009

SECTION I				
Product Identity (Name / Number)		FINISH BRIGHT Spray & Buff Restorer & Revitalizer / 9665		
		HMIS: Health = 1 Fire = 0 Reactivity = 1		
Chemical Family		Emulsion		
SECTION II - Hazardous Ingredients				
Hazardous Components	OSHA PEL	ACGIH TLV	Other Limits Recommended	% (optional)
Dibutyl Phthalate	5ppm	5ppm		less than 1%
DEG Methyl Ether	N/A	N/A		Proprietary
Aqua Ammonia	25ppm	35ppm		Proprietary
SECTION III - Physical & Chemical Characteristics				
Boiling Point		Specific Gravity		1.01
Above 212°F		Melting Point		N/A
Vapor Pressure (mm Hg)		Evaporation Rate (Ethyl Ether=1)		N/A
N/A		Appearance / Odor		White Liquid/ Slight Solvent
pH		Solubility in Water		Complete
8.5				
SECTION IV - Fire & Explosion Hazard Data				
Flammable Limits (Explosive Limit)		Upper:	N/A	Lower: N/A
Flash Point (Method Used)		N/A		
Extinguishing Media		Water spray, carbon dioxide, chemical foam.		
Special Fire Fighting Procedures		N/A		
Unusual Fire and Explosion Hazards		N/A		
SECTION V - Reactivity Data				
Stability:	Unstable		X	Stable
Hazardous Polymerization:	X	Will Not Occur		May Occur
Conditions To Avoid		Excessive heat and freezing temperatures. Avoid contact with acids.		
Incompatibility (Materials to Avoid)		N/A		
Hazardous Decomposition or Byproducts		CO, CO ₂ , and unidentified organic compounds.		

SECTION VI(a) - Health Hazard Data**Inhalation** Very slight, if any.**Eye** Irritating to eyes.**Skin** Continuous contact may cause dermatitis.**Ingestion** Irritating; may cause nausea**Reported As Potential Carcinogen or Carcinogen****International Agency for Research on Cancer**

X

Not Applicable**National Toxicology Program****OSHA****SECTION VI(b) - First Aid Procedures****Inhalation** If vapors are bothersome, remove to fresh air.**Eye** Flush eyes with plenty of water until all materials are removed from and around eyes. If irritation persists, seek medical attention.**Skin** If irritation occurs, flush with water and seek medical attention if irritation persists.**Ingestion** Never give anything by mouth to an unconscious person. Consult physician.**SECTION VI(c) - Employee Protection****Respiratory Protection (Utilize NIOSH approved respirators. Refer to manufacturer's protection factors and OSHA standard 1910.134 as a guideline.)** Respirators are not required for this product.**SPECIAL PROTECTION INFORMATION:****EYE** Wear goggles if splashing potential exists.**SKIN** To avoid contact of sensitive skin or irritation due to prolonged or repeated exposure, wear chemical resistant gloves and clothing.**VENTILATION** Local exhaust.**SPECIAL PROTECTION** Eye wash fountains and safety showers should be available for emergencies.**SECTION VII - Special Precautions****Handling and Storage** Store in shaded area away from excess heat or cold.**Other Precautions** Surfaces become slippery if material is spilled.**SECTION VIII - Environmental Protection****Spills / Releases** Confine as much as possible. Dike and absorb with inert material such as vermiculite. Transfer to containers for disposal.**Waste Disposal Method** Dispose of according to local, state and federal laws.**DISCLAIMER**

The information contained herein is based upon data available to us and reflects our best professional judgement. Since it is impossible to anticipate the conditions under which our products may be used, we cannot guarantee that the recommendations will be adequate for all individuals and situations. Each user of this product should determine the suitability of the product for his particular purpose and should comply with all federal, state and local regulations. Our goal is to manufacture products with zero or minimal hazards. Our products are improved daily as up-to-date information and research is received from our suppliers to use products with less or no hazards. Please feel free to contact us for current information.
