*Biodegradable *Concentrated
*Phosphate Free

This product is a concentrated detergent with
color-safe bleach, 2 products combined in 1
formula. It cleans and brightens both cotton
and blended fabrics in one efficient way.
Not recommended for silk, wool or nylon.

APPLICATION

Consult the manufacturer or your distributor
for specific use instructions. Always follow
washing instructions on the machine and the
clothing. For a typical 50 Lb. machine, add
2-6 oz. or as required. Add material onto
water and not directly onto fabric.

For prespotting, pour small amounts of
diluted product on spots and stains. Rub in
and wash immediately.

Store in cool area away from direct sunlight.
Keep top closed. Keep away from other
chemicals. Mix only with water. Do not add
this product to any dispensing device
containing remnants of any other product.
Contamination may start a chemical reaction
and generate heat, dangerous gases and
possibly fire and explosion. In case of
contamination or decomposition, do not
reseal container.
