Excellent Cleaner For Brakes, Motors & Engines

BRAKE CLEAN is a ready-to-use, fast acting,
fast drying formulation specifically designed
to clean brakes, motors, engines and virtually
all other metal parts. It is an economical
substitute for expensive aerosols. Small
amounts of this product dissolves and
removes grease and oil from metal surfaces.
BRAKE CLEAN leaves virtually no residue.

APPLICATION

HIGHLY FLAMMABLE. Store in a cool, dry
place away from heat, sparks and flames.
Keep container closed at all times. Use
UL-approved pump for flammable liquids.
Ground containers when in use. Use
impermeable gloves, safety glasses and
proper ventilation.

Spot test on an inconspicuous area before use.
Proceed if completely satisfied with results.

Spray on and wipe off grease, soils and oil.
Do not use on running or warm motors,
engines, brakes, etc. We do not recommend
use of this products in vat systems; however
if using a vat system, keep bath as small as
possible, keep far from any sparks or other
sources of ignition and keep top tightly
closed.
