DELUXE LAUNDRY BREAK is a highly concentrated pH booster liquid which increases the effectiveness of the degreasing capability of the laundry detergent. It is specially formulated for heavily soiled fabrics and should not be used with fine fabrics or hand washables.

### APPLICATION

Read Material Safety Data Sheet Carefully Before Handling.

Use 2-4 oz. per 50Lb. load or as required. This product should be used in conjunction with laundry detergent.

NOTE: Normally, use water temperature below 120°F on the first cycle. Hot water may set (bake) the stain which will then become hard to remove.
