2950 Mowery Road, Houston, Texas 77045 (713) 413-9700

DELUXE LAUNDRY DESTAINER is a concentrated fabric destainer and whitener used most frequently on white sheets and towels. It brightens and whitens fabrics and removes protein and dye stains not removed by detergents.

Not recommended for silk, wool, nylon or color fabrics.

APPLICATION: Read Material Safety Data Sheet Carefully Before Handling. Dispense 4 oz. per 35 Lb. load. Add material onto water. Do not apply the concentrated product directly to fabric as this may permanently discolor that area. Do not add this product to any dispensing device containing remnants of any other product. Contamination may start a chemical reaction and generate heat, chlorine gas and possible fire and explosion. In case of contamination or decomposition, do not reseal container.

PHYSICAL AND CHEMICAL HAZARDS: STRONG OXIDIZING AGENT

Keep away from other chemicals. Mix only with water according to label directions. Mixing this product with chemicals (e.g. ammonia, acids, detergents, etc.) or organic matter (e.g. urine, feces, etc.) will result in the release of potentially poisonous vapor which may be harmful and may even cause death.

STORAGE AND DISPOSAL

Storage: Do not contaminate food or feed by storage, disposal or cleaning of equipment. Store this product in a cool dry area, away from direct sunlight and heat to avoid deterioration. Keep top closed. In case of spill, flood areas with large quantities of water.

Disposal: Product or rinsates that cannot be used should be diluted with water before disposal in a sanitary sewer.

Container: Do not reuse empty container but place in trash collection. (If containers are to be recycled for refilling with this product, return to distributor for refilling).
