

Scent-Sational Liquid Scents are innovation in air freshener products formulated to eliminate tobacco, pet and other offensive odors. For each scent, only the individually picked and test-marketed essence oils are used. These products are concentrated. They may be used to freshen air in cars, boats, campers, vans, hotels, houses and offices. Several pleasant scents are available.

APPLICATION: Use in concentrated form or dilute with water (depending on the severity of the odor). For best results, use a trigger sprayer to dispense product. Spray in trash cans and in the room, working backward out of the area. In vehicles, spray under the seats and in vents. This product may be added to water soluble neutral floor cleaners or carpet shampoos. Test for compatibility first.

NOTE: Do not use on contact surfaces, hard floors, vehicle controls, brakes or other surfaces where slipperiness may be hazardous. To avoid stains, do not spray directly onto the surface, especially on leather, vinyl or light color fabric.

CAUTION: Avoid contact with eyes. Do not ingest or inhale. Avoid prolonged contact with skin.

FIRST AID

Eyes & Skin: Flush with water for 15 minutes.

Inhalation: Remove to fresh air.

Ingestion: If conscious and alert, drink large quantities of water. Do not induce vomiting. If any irritation persists, seek medical attention.
